## STIPULATION

The parties agree to continue the above referenced sentencing from March 28, 2006, until April 11, 2006 at 2:00 p.m. The purpose of the continuance is due to the fact that counsel for Mr. Conrad will not be available for the entire month of March, as she will be out of the country on her honeymoon. Counsel for Mr. Conrad cannot prepare a sentencing memorandum in a timely way under the current schedule, as such a memorandum would be due on March 21, 2006, and she will be out of the county at that time. Counsel needs a sufficient amount of time to prepare for the sentencing in this matter upon her return, and is in the midst of securing mitigating evidence from Mr. Conrad's friends and relatives to prepare for the sentencing. Counsel thus has multiple individuals to interview in preparation for the sentencing, and she cannot obtain all the necessary evidence before she leaves on February 28, 2006.

For these reasons, counsel requests April 11, 2006 as the final sentencing date in this matter.

1 The government has no objection to the proposed date. United States Probation Officer J.D. Woods  
2 has been informed about the request to continue the sentencing in this matter, and has no objection to  
3 the defendant's request for a continuance. Defense counsel will ensure that Mr. Woods receives a  
4 copy of this Court's order, should the Court grant the request.
